

Santander for Intermediaries Registration Process

How to register with Santander (if you are not already registered):

Please follow the below link and select the option which applies to you:

The screenshot shows the Santander Abbey for Intermediaries website. The header includes the Abbey logo, 'FOR INTERMEDIARIES', and 'PART OF THE SANTANDER GROUP'. Navigation links include Home, Latest rates, Mortgages, Our service, Existing customers, General Insurance, and Savings. A search bar and 'Online services login' button are also present. The main content area is titled 'New broker registration' and lists three registration options: 'Requests from an Appointed Representative company to register a new intermediary', 'Requests from an individual intermediary joining a Directly Authorised company already trading with Santander', and 'Requests from a Directly Authorised company not already trading with Santander'. A note states that registration requests will be processed by dedicated teams within 72 hours. A footer contains various links and a disclaimer.

This will take you to a new page which outlines the information that you must provide Santander in order to register. When confirming which mortgage club(s) you wish to use, please state **Buy to Let Club**.

You will then be emailed with confirmation of your registration; this email will include your *Company/Introducer ID*. Approximately 24 hours later, you will be sent another email which will include your *Passcode*.

Once you have received both emails, please login by following the link below:

Please select the **Login/Register** option and **Register** your details online.

What to do if you are already registered with Santander:

When you first register with **Buy to Let Club** your details are automatically sent to Abbey to request the addition of the mortgage club as a submission route to your account.

If **Buy to Let Club** is not available as an option when you are completing a Key Facts Illustration or application, please call us on 01276 601041 and we will contact Santander on your behalf to request the mortgage club is added as a submission route on your account.
