

Castle Trust Registration Process

How to register with Castle Trust (if you are not already registered):

If you are not already registered with Castle Trust, please contact us on 01276 601 041 and we will complete a registration form for you.

What to do if you are already registered with Castle Trust:

Once you are registered and have received your password and username from Castle Trust, please create a new application by selecting '**New Application**' **1** on the Castle Trust website.

When requested, enter your username and password to open the application form. This will take you to a new screen where you will begin the application submission process.

To choose **Buy to Let Club** as a submission route, go to the '**Loan Requirements**' tab **2**.

You must then select **Buy to Let Club** from the '**Submission Route**' **3** drop down box.
